Dear Subscriber:

As we celebrate our 20th Anniversary this Fall, we want the real gifts to be for you. So we'll be sending some very special programming events your way: an October heavyweight title eliminator bout between "Razor" Ruddock and Lennox Lewis; a gripping HBO Original Movie in November, "Stalin," and some added surprises.

I'm also delighted to tell you that, to help you keep track of all the excitement, we've made some changes in this program guide that make it easier to read and use. This resulted from many thoughtful subscriber comments we've received.

Thanks for being part of our HBO family. Hope you enjoy not only our fall shows, but the new guide that'll be telling you about them. Happy Anniversary!
